## ANNUAL REPORT 2021-22

It is my pleasure to present the Annual Report of the school for the year 2021-22. The school was established in July 2012. It aims at imparting quality education through the medium of English in accordance with the syllabus, rules and regulations of Central Board of Secondary Education, New Delhi.

Excellent CBSE class X result, as always filled us with pride and I feel honored to mention that we had 100% result for the academic year 2020-21.

The Covid-19 pandemic has forced educators to transform their lessons to online versions in short span of time. Our teachers had to changed to online teaching, requiring them to use various digital tools and resources and implement new approaches to teaching and learning.

I am grateful to have such wonderful team of teachers. They stood up and made the pandemic in a successful and fruitful academic year. Both students and teachers have adjusted themselves to the new ways of teaching and learning.

Every activity in school life plays a significant role in a child's development. Co-curricular activities are an essential part of school life as they help to enhance the learning process of the students through these activities we strive to bring in social skills, intellectual skills, moral values, personality progress and character appeal in our students.

Some of these events are card making, poster making, best out of waste,

Our students participated all national religious festivals and celebrated national and International days which were conducted online by the school.

We build upon our many accomplishments across our campus with the support of our managing director Mrs. Laxmi Mishra, your support truly energizes us insures our future, success and allow us to prepare and increasing the number of students for enriched lives for the society.

We remain grateful to all the parents for reposing their unparalleled trust in us, which propel us to march ahead with greater commitment and enthusiasm.

I conclude by assuring that even though our students engaged themselves in various co-curricular and life skill activities, still top priority is given to academic performance. Remedial teaching, extra classes, revision, periodic tests, class tests, assignment, half-yearly and annual examinations have kept them busy throughout the year.

I thanks to our Chairman, Managing Director, teaching and non-teaching staff and our students and parents who gave us their maximum support and cooperation.

Thank you
